Respected Sir/Madam,

The issue concerns a building under the control of **Muthuvallur Grama Panchayat, Malappuram District (mpmmuthuvalloorgp@gmail.com)**, which has been continuously used for operating a **Supplyco Maveli Store** since **18-04-2013**. The building was provided **rent-free for the first five years (2013–2018) to Supplyco** by the Panchayat .

After the initial rent-free period, no formal rent agreement was signed due to disputes over the rent amount. As a result, **rent payments were not made from 2018 onwards**. The Government Order **GO(Ms) 587/2022/LSGD dated 10-03-2022** clarifies that if a Panchayat provides a building rent-free for five years, it is **required to pay rent for the period after the rent-free term until the building is vacated**.

However, there remains confusion regarding the settlement of rent arrears from **19-04-2018 up to the date of the GO(Ms) 587/2022/LSGD (10-03-2022)**, and whether the Panchayat or Supplyco is responsible for paying the outstanding amount for this period. While it is understood that after the **GO(Ms) 587/2022/LSGD (10-03-2022)** order, the Panchayat is liable to pay, clarification is needed on who is responsible for the rent from **18-04-2018 to 10-03-2022**, when the building was continuously occupied.

In this situation, the following points require clarification from LSGD:

Liability for Rent (2018–2022)

Under **GO(Ms) 587/2022/LSGD dated 10-03-2022**, who is responsible for settling rent arrears for the **pre order period (2018–2022)** when:

- The building was continuously occupied by the Panchayat.
- The Panchayat itself has acknowledged the arrears in **Resolution 14/1 Dated 16-12-2023**.
