Subject: First Appeal against misleading/incomplete RTI reply – reg.

I hereby submit this First Appeal under **Section 19(1)** of the RTI Act, 2005 regarding the reply provided by the **Public Information Officer (PIO), Muthuvallur Grama Panchayat**, to my RTI application (No: 5239304-2025, dated 15-11-2025).

Sir,

I had submitted an RTI application to the Public Information Officer, Muthuvallur Grama Panchayat. However, I received misleading and incomplete information, which caused me serious inconvenience and forced multiple visits to different offices to verify facts.

The PIO informed me that **no rent arrears are pending**, but when I verified with **Supplyco Manjeri**, I got the Panchayat's own document: **Resolution dated 16-12-2023 (14/1)**, which clearly states that **pending rent exists from earlier years**.

Because of the incorrect RTI reply, I had to personally go to Supplyco to get the correct details.

RTI Question 6:

Details of any pending rent arrears; reasons for delay if any.

PIO's Answer: Stated

6. കടിശ്ശിക ഇല്ല. ചോദ്യം വിവരാവകാശ നിയമ പരിധിയിൽ വരുന്നതല്ല – *This is incorrect.*

RTI Question 7:

Copies of resolutions/orders/sanction letters regarding rent.

PIO's Answer:

Asked me to pay ₹15 and collect from the office.

collected some documents from the office, but the PIO did not provide the key resolution (16-12-2023 14/1), which should have been supplied directly under RTI.

Request to the First Appellate Authority

- Take appropriate action under **Section 20** for providing false and incomplete information.
- Grant me suitable **compensation under Section 19(8)(b)** for the inconvenience caused. Because I had to spend time, travel, and effort to obtain records myself due to misleading information.

Thanking you,

Sincerely,

Ashfaque Jahan T
